

2021 Weed Inspection North Star Township

East Briar Lake Drive:

Canadian Thistle (creeping)

Common Mullein (tall)

Bloomquist:

Canadian Thistle (creeping)

Common Buckthorn (at turnaround, north side of road, few trees)

Timberlake:

Canadian Thistle

Bull Thistle

Spring Lake Road:

Bull Thistle

Common Mullein (just starting to grow)

Canadian Thistle (creeping)

Common Buckthorn (by the creek/wetland) (south side of the road, few trees)

East and West Briar Lake Drive Intersection:

Panic Veltgrass

West Briar Lake Drive:

Japanese Knotweed (pretty substantial patch)

Camp 5 Area:

There were previous reports of Common Buckthorn in the area but none were found. It's worth it to go back again after in early winter because it's easier to identify.
